## In Local Playhouses

### THE PALMETTO

#### A MINSTREL SHOW

Was Presented Yesterday by the Seymour Company.

Those who like a minstrel show should have attended the Palmetto yesterday afternoon and night for the Seymour company put on one, every character on the stage being black-faced, both the men and the women. Attendance was good at both performances, but it seemed that there was general disappointment. Two-thirds of the people who go to the Palmetto on Mondays go to see how the people look just as much as they do for the show, and yesterday all of them being black-faced, the members of the audience know about as much about the appearance of the characters as they did last week.

Billy Williams, the blackface comedian, has been in Anderson before, as has also Mr. and Mrs. Seymour and have always been drawing card. An entirely different bill will be presented today, which in all probability will take far better than the one yesterday. This company has a quartet and this always attracts great numbers of people to this playhouse.

It would not be fair to praise or to "knock" any of the members of this troupe, since the bill presented yesterday will not be shown again this week, and it remains to be seen what the characters can do when they are playing their regular roles.

### URGES EVERYONE TO QUICKLY GET ON WATER WAGON

Drink glass of hot water before breakfast to wash out poisons.

To see the tinge of healthy bloom in your face, to see your skin get clearer and clearer, to wake up without a headache, backache, coated tongue or a nasty breath, in fact to feel your best day in and day out, just try inside-bathing every morning for one week.

Before breakfast each day, drink a glass of real hot water with a teaspoonful of limestone phosphate in it as a harmless means of washing from the stomach, liver, kidneys and bowels the previous day's indigestible waste, sour bile and toxins; thus cleansing, sweetening and purifying the entire alimentary canal, before putting more food into the stomach. The action of hot water and limestone phosphate on an empty stomach is wonderfully invigorating. It cleans out all the sour fermentations, gases and acidity and gives one a splendid appetite for breakfast.

A quarter pound of limestone phosphate will cost very little at the drug store but is sufficient to demonstrate that just as soap and hot water cleanses, sweetens and freshens the skin, so hot water and limestone phosphate act on the blood and internal organs. Those who are subject to constipation, bilious attacks, acid stomach, rheumatic twinges, also those whose skin is sallow and complexion pallid, are assured that one week of inside-bathing will have them both looking and feeling better in every way.

### COMB SAGE TEA IN LIFELESS, GRAY HAIR

If Mixed with Sulphur it Darkens so Naturally Nobody can Tell.

Grandmother kept her hair beautifully darkened, glossy and abundant with a brew of Sage Tea and Sulphur. Whenever her hair felt out or took on that dull, faded or frayed appearance, this simple mixture was applied with wonderful effect. By asking at any drug store for "Wyeth's Sage and Sulphur Compound," you will get a large bottle of this old-time recipe, ready to use, for about 50 cents. This simple mixture can be depended upon to restore natural color and beauty to the hair and is splendid for dandruff, dry, itchy scalp and falling hair.

A well-known downtown druggist says everybody uses Wyeth's Sage and Sulphur, because it darkens so naturally and evenly that nobody can tell it has been applied—it's so easy to use, too. You simply dampen a comb or soft brush and draw it through your hair taking one strand at a time. By morning the gray hair disappears; after another application or two, it is restored to its natural color and looks glossy, soft and abundant.

**IN PLACING your fire insurance** remember that Frank & DeCamp Realty Company represents only strong, old line companies. Your business will be appreciated. 12-7-1t.

**WYATT**, the 35 Coal Man has yet got coal to burn; he doesn't like the smell of the smoke however, unless some one else has paid for the coal. He says however that he is still saving the people lots of money on their coal bills. His phone is 185.

**WE ARE PAYING \$35 per ton** for cotton seed, selling hulls at \$13.00 per ton and will exchange 3 tons hulls for 1 ton seed and 1 ton of cotton seed meal for 1 ton of seed. Martin Wood & Coal Co.

### THE ANDERSON

#### MUSICAL COMEDY

The Jacquith Company Presenting Clean Laughable Show.

The Jacquith Musical Comedy company, appearing at the Anderson this week with fourteen people, three men and eleven girls, presented yesterday a delightful musical comedy entitled "One Little Maid," which apparently made a hit with all who saw it. This show will be presented again this afternoon and tonight.

Manager Trowbridge stated last week that he was not going to have a tab show at the Anderson this week and the company is maintaining this promise. Although it has a troupe of only fifteen, a miniature musical comedy is presented which is filled with music written especially for the show by the musical director and a whole lot is entirely different from a tab show.

In writing up this attraction it is well to mention the costumes, which are far above the average. The principals are backed up with a singing chorus, well costumed, which goes far to make a show of this kind enjoyable.

The following is the cast of characters:

Theophilus Ichabod Wynne, Quaker Innkeeper—Alfred Beaumont.

Deborah, youngest daughter—Dolly Kanders.

Lord Herffington, a Money Hunter—Walter D. Edmundson.

Harriette Knox, American Heiress—Charlotte DeLong.

Ronald Taylor, in Love with Harriette—Ray King.

Faience Wynne, eldest daughter—Alice Maurice.

Sara Shepard, in love with everybody—Casey Jacquith.

Quaker maids, tourist, guests—Misses Vera Janavell, Gwen Raynor, Marion Campbell, Bessie Shaw, Bessie Logan, Gloria Kaetz.

Time—Present.

Locals—An Inn outside of Philadelphia.

### WALKER-McELMOYLE

We are all interested in our work, and determined to make this the most powerful in the history of McElmoyle. Our school is located in the "historic corner" of Anderson county. We boast ourselves of our history.

Our teachers spent Thanksgiving with homepeople. The day passed off very quietly in this section, the only item of interest was the wedding of Miss Grayton Johnson and Mr. Cliff Franklin, the home was tastefully decorated. The reception many beautiful and useful presents. Quite a large number of friends and relatives were present. We hope their wedded life will be as bright and beautiful as was their wedding day.

Prof. Haddon, Misses Jordan and Haddon, also Mrs. Robinson and Jennie were pleasantly entertained at the home of Mr. and Mrs. J. S. Wilson's on last Saturday.

Miss Lillian Newton of Greenville is spending this week with Mrs. W. H. Martin.

Mrs. S. J. Link has been on the sick list, but is better at this writing.

Dr. Fraser of Anderson is to lecture at Bishop Branch school Friday night, December 10. Our school and patrons of course, are invited. He is to lecture on "The American Negro."

The Improvement association will meet next Friday, December 10, at 3 o'clock. We hope our members will all be present, as we have some important business to come before the association.

The literary society of our intermediate department will meet December 10. Our patrons are cordially invited, also the high school and primary department.

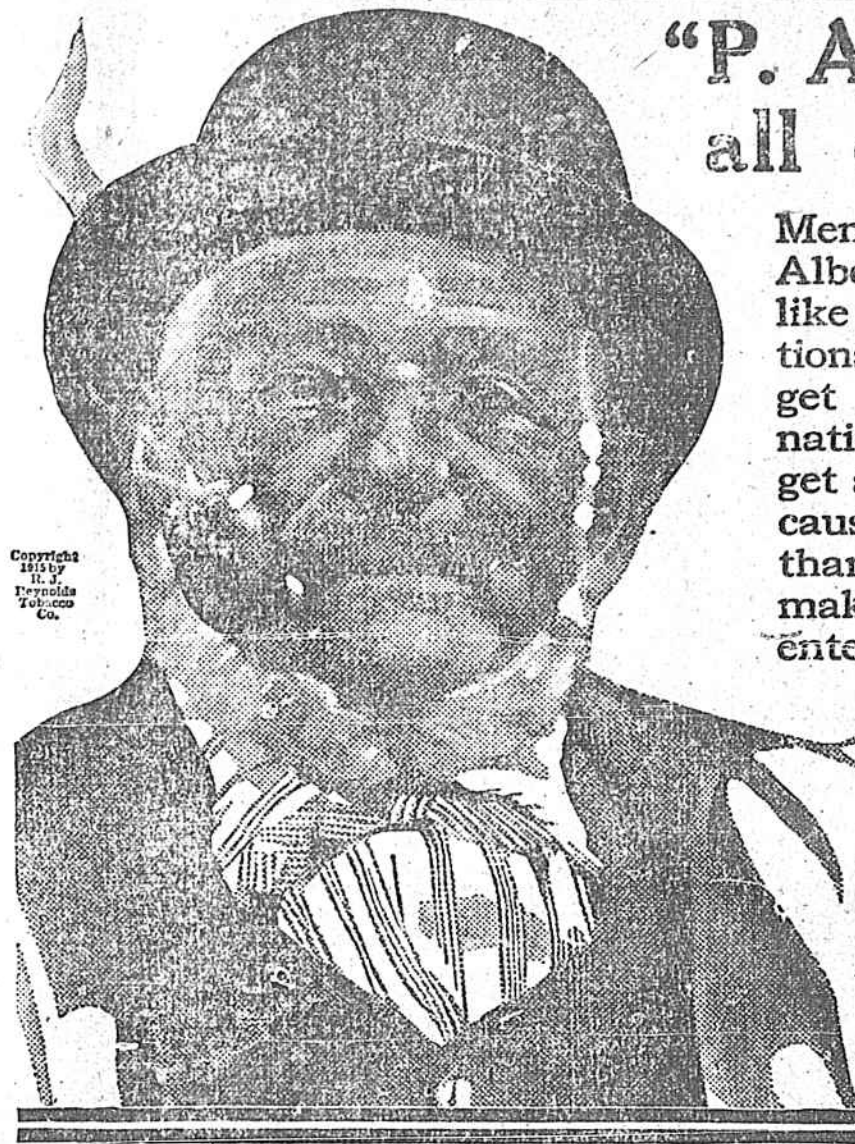

The high school literary society met last Friday. We carried out a very interesting program, every member performed their duties in such a way that it was a credit both to them and their society.

We were indeed thankful when on Thanksgiving Day, Mr. S. N. Reeve placed his saw on our school yard, and supplied us with an excellent pile of wood.

The intermediate and primary departments were present at this meeting.
